

MEN'S HEALTH WEEK 14 - 20 JUNE 2021

MAKE CONNECTION YOUR SUPERPOWER

Connect for Men's Health:

Connect with mates and if you're worried about someone, don't ignore it.

Talk about both physical and mental health.

Learn about men's health issues and promote and participate in healthy behaviours.

Support organisations who lead men's health programs and initiatives.

Celebrate the role that mates, fathers, brothers, husbands and sons play in society.
